Comes Now, Plaintiff, Joseph D. Gilberti, P.E., pursuant to FRCP
hereby files a complaint for Organized Fraud, Conspiracy to Defraud
the United States, and Dissemination of Plaintiff's discovery and access
to 'Primary Water' from Earth's (1) Core, with no known dependencies.

I. Introduction

(1) Plaintiff, Joseph D. Gilberti, P.E. (PE #56079) has statewide infrastructure civil engineering plans with access to a unique hidden U.S. Drinking Water Resource at 9438 Daughtrey Road, Sarasota, FL 34266 since 2012.

Defendants have purposely disseminated, called Resource 'Fictitious', made false arrests, denied in trials, taken civil rights and worked to collectively suppress the Florida project, to hide the deep underground knowledge, that teaches all States and Nations how to 'Access and Locate' Antioxidant Spring Water Oceans (ENDLESS) to taps of major metropolitan cities, Middle East Nations to end Wars, and NEAP Nations to minimize hunger, oppression and migration. See Gilberti v. United Nations, et al.

* Critical USA

Note:

(7) Once the Critical Resource is VERIFIED all the attacks are real. But Judges, Defendants in too deep to help America as they still don't have direct access to Resource like Plaintiff; therefore, attack continues thru another useless Election.

(8) If President Obama, Michelle Obama and Desantis / Rick Scott in 2012 would have helped v. Attacked with Smith Mundt Act MOD (HL 5736) of 2012 (5-10-2012), the project and Global Knowledge would have avoided millions of Cancer/Disease Deaths, Middle East Wars, ect. They sold out USA/Humanity. (4)

V. Complaint and Allegations

(9) Plaintiff asserts the following Counts as related to ongoing/closed/cheated cases and ongoing State and National Organized Fraud and Dissemination/Conspiracy by Defendants, their constituents, staff and ongoing deceptive acts to suppress and attack Plaintiff's civil rights, clients, the United States and specifically Florida (Exhibit A) and NJ/NY 'Primary Spring Water' access to 'Oceans Beneath the Earth'.

(10) Defendants together with Media monopolies, online platforms, Internet, television networks, entertainment industries has hidden the unique underground medicinal spring water resources available to the tap with a massive coup within the Department of Justice, involving fake police reports, fabricated 9-11 events, bond hikes utilizing Propaganda/Smith Mundt Acts through H.R. 5736. The following allegations are as follows:

Count 1 - Organized Fraud by Defendants

(11) Since 2012, after Plaintiff, a civil engineer exposed a 'Primary Water' unique access point at Cecil Dougherty Ranch located at 9438 Dougherty Road, Sarasota, FL 34266, approximately 2000' below Well No. 2, with Sec 1 & 2, shown on Gilbert v. 72 Partners Sarasota Cir 12 case 2019 CA 04532 NC (DIN 197); a barrage of systematic attacks by Defendants, local and federal officials/agents has transpired, thru 'Organized Fraud,' and 'Conspiracy' see Title 18 USC (§241-242) and §371 to stop ongoing Engineering Permits and Statewide exposure. See Gilbert v. Council of National Defense, ACOE, NRDC per Title 50 USC § 3; Statewide National Defense upgrade from CENTCOM to Southcom. (5)

Count 1- Organized Fraud (cont.)

(12) Organized Fraud is ongoing by Sarasota Judge Donna Marie Padua and Sarasota Commission caught in a 'Fraud Trustee'. see case

2011 CA 04209 NC, TZ Partners LLC vs Cecil Daughtry, fraud sale on October 5, 2020. See 'Request to Prosecute' (Dms 197) on case 2019 CA 04532 NC, for details of fraud and sale Fraud tied to Mary FENA Fraud as shown in Gilbert v. FBI, et al., Tampa Middle Dist.

(13) "Organized Fraud includes elements (1) engaging in or furthering a systematic, ongoing course of conduct (2) with (a) intent to defraud, or (b) intent to obtain property by false and fraudulent pretenses, representations, or promises, or wilful misrepresentations of a future act. (3) resulting in temporarily or permanently depriving any person of the right to property or a benefit therefrom, or appropriating the property to one's own use or to the use of another person not entitled thereto." Here Defendants have taken Plaintiffs rights, lands with timed attacks to dissiminate the project, steal the proprietary information and sell it to the county to hide lower water bills and much healthier water to a 4-6 county 'Peace River Minnesota Water Supply Region.' And to suppress and dissiminate value and Global Knowledge with Federal Judges calling everything 'Fictitious' or 'Potentially Insubstantial' since Ketanyi Brown Jackson's similar order on Gilbert v Federal Reserve, et al. Defendants with Judge Padua made Jury leave room during entire trial, see Cir 12 Case 2021 CF 07559 NC, mistrial transcripts, with Jury manipulation/Fraud in court. To attack Plaintiff with Sheriffs/Cops/FBI doing complex title litigation. (6) See Gilbert v Fla Bar, et al - SC 2024-963 A+ Fla Supreme Ct.

VII Count 2 - Conspiracy to Defraud the People (Title 22 USC (1461-1464b)
of the United States - Raw Water Resources

(14) Defendants collectively have, with media, entertainment industries, TV, programming with video games, movies, said lies, have used Title 22 USC Propaganda and Dissemination, to hide a very simple issue. Its

Amazing its still working? ENDLESS ALKALINE SPRING WATER
to Taps vs. Limited MORE EXPENSIVE TREATED CHEMICAL
RIVERS/GROUNDWATER. EPA Health Advisories set TREATED

Water goals at (1 in 10,000) get Cancer, LEVEL OF SERVICE at Tap.

(15) Since Plaintiff found access to deep underground OCEANS,
 A Conspiracy by Defendants to attack his project, called Water 'Fictitious'
 and Defraud the United States began in 2012. Starting with Obama
 and his Oil/Water friends George Bush (Blue Gold Bush Family).

(16) Defendant (the Judges, State Attorneys in West Florida and DC)
 with Department of Justice, Trump, Harris, Broadcasting Board of
 Governors, and Defendants have tried Cockey attacks on USA and
 Plaintiff retraction with 'Primary Water', Doubting Ranch exposure
 and FDEP Permitting, cranks, ect; Boston Marathon and Parkland Shooting (Broward).

(17) Defendants are still attacking after turning Title 22 USC §1461a
 into America via Smith Mundt Act of 1948 through Congress Rex Thornberry
 on May 10, 2012 with H.R. 5736. Must be Repealed entirely!

(18) The Department of Commerce and Defendants are purposely
 hiding this Global Deep underground endless drinking Water knowledge to
 increase living cost, food, fuel, construction cost and increase causing
 more debts thru Dissemination. While trying to steal Plaintiffs land
 with Sarasota County Commission. See State cases in this complaint

2019 CA 01532 NC. by (F) - Gilbert vs 72 Partners LLC (open).

VII. Count 3 - Title 15 USC (§§ 1151-1157) Dissemination of Technical, Scientific and Engineering Information

(19) Title 15 USC § 1152(a) search and collect information - Here Defendants with Presidents, Department of Commerce have SPECIFICALLY did the opposite and hid the project from the Media with control of Board of Broadcasting Governors, from USA and all Nations. Using TV, Internet to create Wike Wars, Middle East Wars, violent TV, Violent news, violent video games, to dissiminate the Plaintiffs GLOBAL ANSWERS to END WARS, HUNGER, MASS MIGRATION, all tied to selfish Presidential Elections, and Media ratings thru Discrimination of Plaintiff's Professional Engineering firms, Permits for "Reutilization of National Defense for the Florida Peninsula" - See Gilbert vs United Nations, et. al and Gilbert v. Council of National Defense and Gilbert v. Karula Harass, et. al

(20) Title 15 USC § 1152(b) - Defendants 'Failed' to make Plaintiff's Technical, Scientific and Engineering Information (Plans and Agreements) available to industry and business, to state and local governments, to other agencies of Federal Government (HIDE IT FROM TV, MEDIA, JOURNALS, and attack anyone who tries to help!) and the General Public through preparation of abstracts, digests, translations, bibliographies, indexes and microfilm and other reproductions, for distribution directly or by utilization of business, trade, technical, and scientific publications and services, SEE EXHIBIT 'A'

(21) Defendants attacked, hid and suppressed Plaintiff's Global Health/Economic Impacts to destroy American kids with higher crimes, oppression, LIES, Cancer, viruses; this Global work knowledge reduces significantly! Thru Dissimulation/TV, (8) and Courts, DOJ, Dept of Commerce, Aparthy.

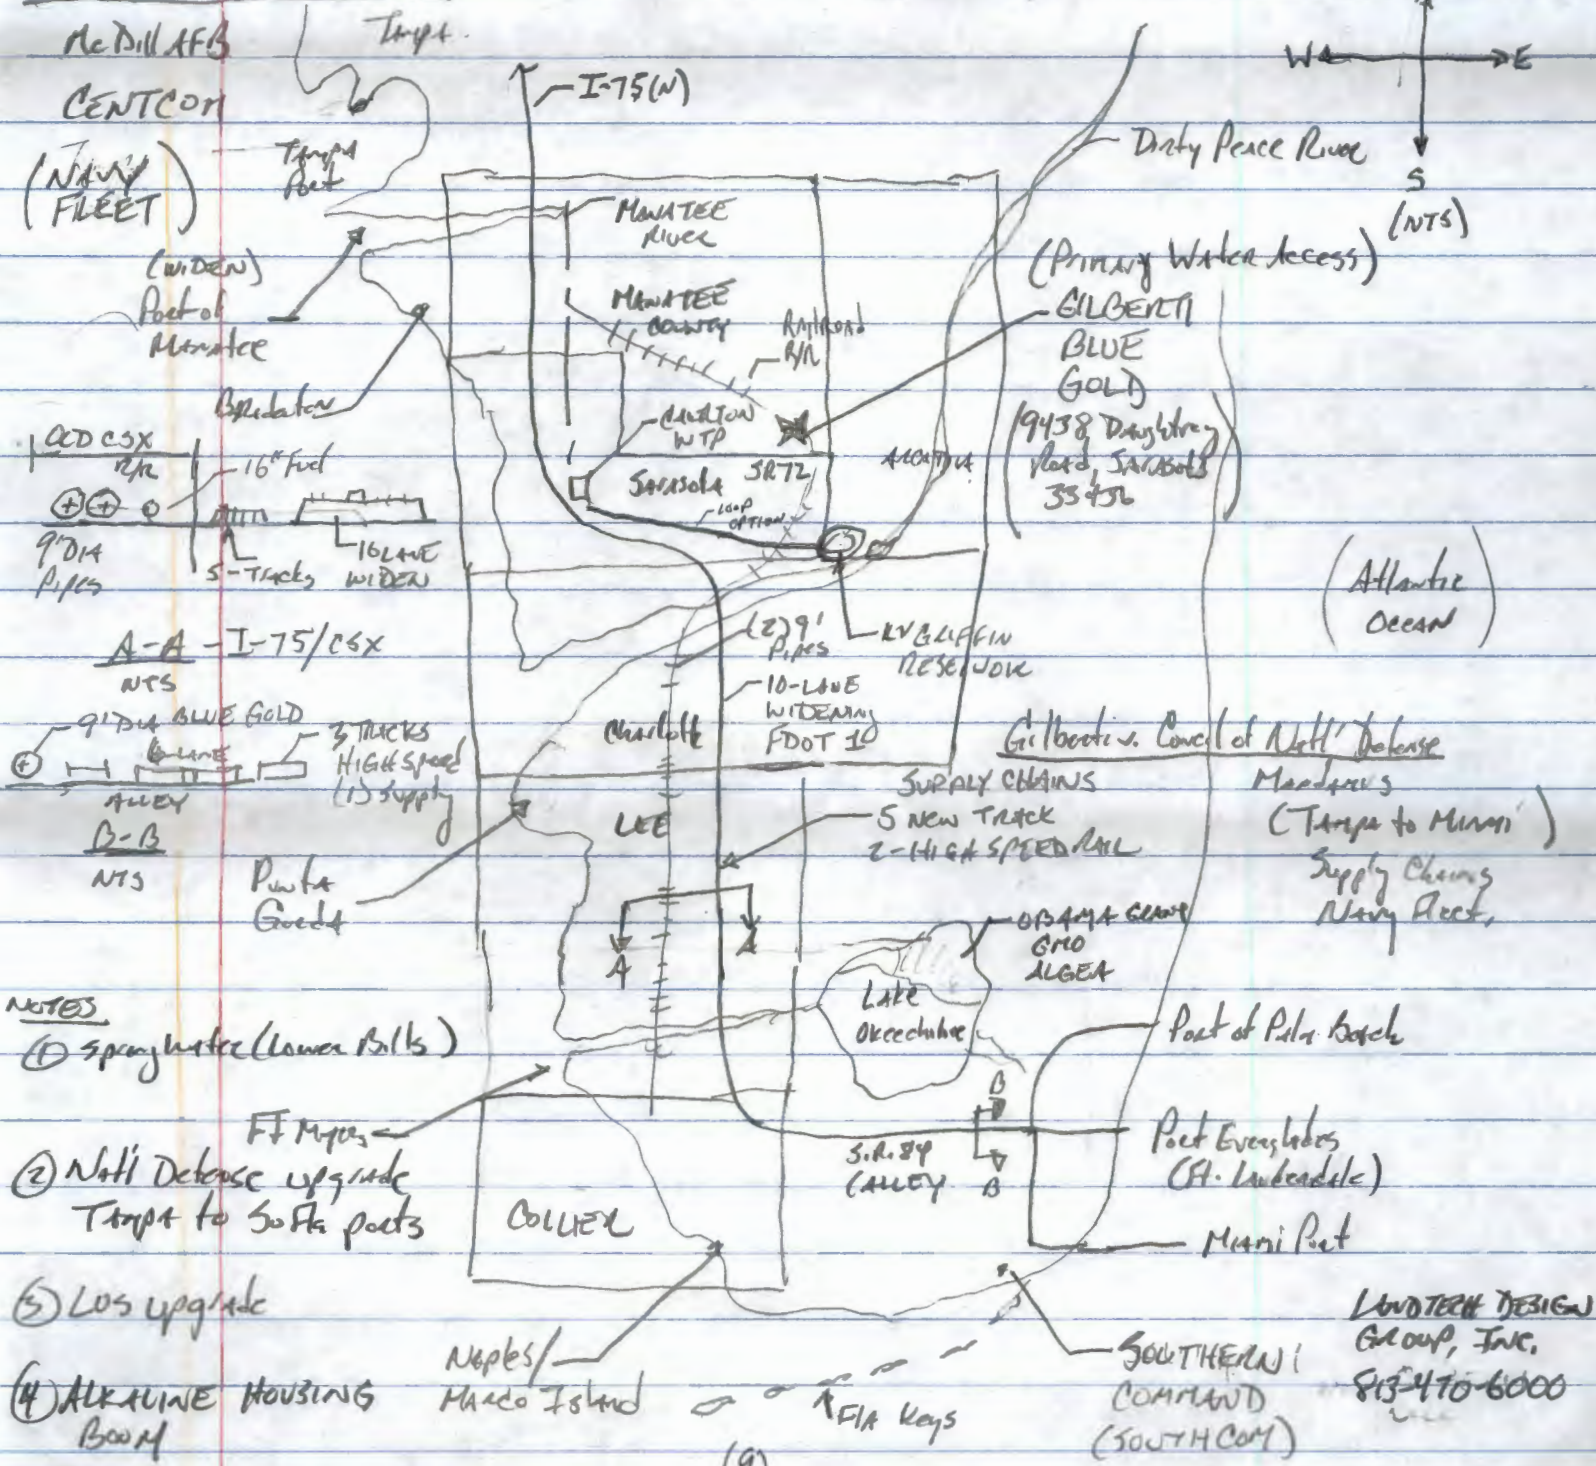

Gilberti v. Trump-Harris-Dept of Commerce, et al

Exhibit A - Florida Primary Water Access

Title 50 USC § 3. - "Revitalization of National Defense for the Florida Peninsula" with Daugherty/Gilberti Primary Water Access (NO RAIN needed for Water Supply) (spring water)

WWW.GILBERTIBLUEGOLD.COM

Tampa CENTRAL COMMAND

Count 3 - Dissemination of Technical, Scientific and Engineering Information - Title 15, USC - hiding 'Primary Water' access points to Taps, Nations and Media outlets (cont.)

(22) Defendants with Secretary of Commerce have Purposely hid this Global 'Water Origins' knowledge with NASA, Economics, World Health, CDC and Media to create a Global Crisis/USA reduction in 'Quality of Life'; an ongoing attack, with 'Fund Transfers' by Judges/Lawyers in Sarasota.

(23) The Secretary of Commerce (Title 15 USC § 1154) is directed to refer to the needed services all scientific or technical information, coming to his attention, which he deems to have an immediate or potential practical value or significance, and refer to the heads of Government agencies such scientific or technical information as relates to activities within the primary responsibility of such agencies. Here the Secretary and Defendants, US Presidents, failed to disclose the New York and Florida fix in 'Primary Water' access. See Gilbert v. Federal Reserve, et al.; Gilbert v. Pentagon, et al., Gilbert v. CDC, et al., Gilbert v. Desantis, et al. and more. IF DEFENDANTS DON'T KNOW or CARE, then resign or your NOT VERY PATRIOTIC or RESOURCEFUL, or a CRIMINAL?

(24) Defendants attacked, calling water, 'Fictions' or 'Potentially Insubstantial' without a care for Humanity, USA and its Economics, Healthcare and National Defense, or THE PEOPLE!

(25) Defendants are still organizing attacks with Sarasota County Commission, Ed Belsky, Judge Donna Marie Piche. Preparing another attack for a hearing for MISTRIAL on 9-11, 2024, by a SPOILED/FOOLISH Gang of Premadonnas attacking USA. See Gilbert v. George Bush, et al - Cir 15/2023-Cd-016963-MB hidden by Media/Defendants. (fp) 9-11 Sarasota Connections/Greco.
